

WE BLEND SO YOU CAN STAND OUT

Our team of experts searches for the best flavors, textures and aromas from all over the world. We blend and pack them into all of our spices and flavors.

LIQUID BLENDING & BOTTLING

Let us work with you to design a liquid blending and packaging solution that fits the needs of your business. We can blend to your own specifications, or you can choose from one of our in-house options, including pure and artificial vanilla extracts, maple, lemon, rum or coconut flavoring, liquid food coloring and more. We can package from 36 mL bottles to 4 L foodservice jugs.

QUALITY FOCUSED

When you use only the best ingredients, the flavor always shines through. We control the entire process from sourcing, to grinding and finally, packaging. You can always rest assured that the quality is second to none.
